It has eight legs - her touch is fluffy  
Looks so nice - although so ugly  
We say they are wise - but what a surprise

It burns so loud - it crackles so gently  
It`s full of flames - it flickers so softly -  
glow and light - shine like dynamite - the  
eyes of the spider - glitter like fire-  
The heat comes out - the fire gets big - the  
smoke surrounds us - we gonna let it burn  
- a kind of dust - get down you must - i  
like it still wa aaarm

It will be the spiderfire  
Go and hire - a vampire  
It will be no spiderfire
